Liguria for Yachting

is the new network of marinas, bringing the most important ports of our region: Marina di Loano, Marina Genova, Marina Porto Antico, Marina Molo Vecchio and Porto Lotti together. Our goal is to promote the Ligurian territory which offers extraordinary nautical and touristic experiences all year round.

The Marinas of **Liguria for Yachting** consist of over 2400 berths guaranteeing the highest standard of services for yachts and superyachts.

The Ligurian territory, due to its consistently mild climate, the surrounding natural beauty, the exceptional cultural opportunities and its strategic position is not only an ideal starting point for summer cruising in the Med, but also an ideal base in every season.

The wide and professional range of nautical and technical services on offer, such as world famous shipyards, guarantees the best care for yachts of all sizes.

MARINA DI LOANO

Located on the Riviera di Ponente, Liguria's breathtaking "Coast of the Setting Sun", the Marina di Loano offers all the resort services and opportunities worthy of the Med's unique atmosphere all year round. Halfway between Nice and Genoa, it is only an hour's drive from both airports and just a few kilometers from the airport in Villanova d'Albenga. The Marina is also equipped with a helipad. Our facilities, welcoming services and docking assistance are our number one priority, available 24/7, 365 days a year.

Our services also include: the Yacht Club with a guest house, a conference centre, 16,000 sq of green areas, black water disposal at the docks, fiber optic cables, Wi-Fi, laundry, 100 surveillance cameras, 8 restaurants, a diving centre, sailing/windsurf classes, 4 beach areas (for families, sport, relax and for our four legged friends, there's a dog beach) and over 900 car parking spaces.

MARINA PORTO ANTICO

Marina Porto Antico, equipped with 270 berths of different sizes, ranging from 10 up to 75 meters in length with no draft limits is the ideal marina both for a short berth and for boat owners who seek a safe port to moor their boats all year round. The sheltered position within the Port of Genoa make it one among the safest and most advanced ports in Liguria.

The proximity to the Genoa's "Cristoforo Colombo" airport, to "Genova Piazza Principe" railway station and to the motorway exit of "Genova-Ovest" make any destination easy to reach; furthermore it is just a few miles from Portofino, Cinque Terre, Côte d'Azur, from Sardinia and from Corsica.
